

# Light up the Town and Sponsor a Lightbulb

*Help us light the way for Christmas Magic!*

The town of Shelburn Indiana is looking for individuals, families, organizations and businesses to “Light up the Town” for the Fourth Annual Discover the Magic of Christmas in Downtown Shelburn. These super cute wooden Christmas lights are 2 feet tall and will line the streets in downtown Shelburn during the month of December. You can choose to put your family name or business name on it or use it as a way to honor or remember a loved one.

The cost to sponsor a lightbulb is just \$25 and all the funds raised will go directly to the Shelburn Park Board and will be used to help finance the Park Board Events and used to make improvements to the park properties. **Deadline to sponsor a lightbulb is Monday November 20th at 4:00pm.**
