Council Members Brad Cagle and Alex Norris refused to sign the minutes from the October 10, 2023 meeting. They requested that Clerk-Treasurer Melissa Copeland add a comment to the minutes that she supposedly had said. She told them that she did not say the comments they were making and that she has the recording of the last meeting if they would like to listen to it. They did not. Therefore, she told them she would not change the minutes and therefore they refused to sign them.
